

GIFTS THAT PAY YOU INCOME

Life income gifts allow you to GIVE for Kingdom impact and RECEIVE income for life!

Establish a life income gift by gifting cash or property in support of ministry. In exchange, you'll receive an immediate tax deduction and then ongoing payments for life for you and your loved ones.

Benefits of a Life Income Gift

- **Win-win.** Support your favorite ministries while securing income payments for life or a designated number of years.
- **Eliminate Hassles.** Give assets you no longer need or care to manage (such as rental property or vacation homes) to benefit God's Kingdom.
- **Tax-wise.** Receive an immediate tax deduction at the time of your gift and reduce capital gains tax when funding your gift with appreciated assets.

Life income gifts are wonderful solutions for Christians who wish to give in a substantial way, but are concerned about having enough retirement income.

Common Types of Life Income Gifts

Two of the most common types of life income gifts...

Charitable Gift Annuity (CGA)

Establish a CGA by gifting cash, stock or other appreciated assets. In exchange, you'll receive an immediate tax deduction and then fixed payments for life for you and your loved ones.

Charitable Remainder Trust (CRT)

Generally funded with larger gifts than CGAs, you can establish a CRT through gifts of real estate, business interests, cash or other non-cash assets. CRTs provide more flexibility than CGAs on payment amount, beneficiaries and terms of the income interest. Like CGAs, the remaining assets are distributed to ministry upon termination of the trust.

Which life income opportunity is the best option for you?

The answer depends on several factors, including the type and size of your gift, as well as your personal situation and charitable goals.
